

# Camper Goals 2017

\* required for campers up to Grade 5  
and/or new campers to Wahanowin

At Camp Wahanowin each camper should be celebrated, have the opportunity to "Lead and Shine", and create **"friendships and memories to last a lifetime"**.

In addition to that common goal, each individual camper comes with their own personal goals. Perhaps it's learning to be more independent by making your own bed, or conquering your fear of heights on the high ropes course, or achieving a new skill level at a specific activity area...

**What are your goals?** We, your Directors, Unit Heads and Counsellors want to know so we can help make them happen!

Let's make the most of your time with us!! Fill in the following box and return it to the camp office no later than **June 16<sup>th</sup>**... We'll take it from there!!
