Subject: Summer 2021 Update

Importance: High

To our Wahanowin Community,

Yesterday, at the exact same time as many of you, we heard Ontario's Premier Doug Ford say that Summer Camps in Ontario are opening this year. Understandably, we had the exact same questions as you! *Is this really the "official word?" Does "Summer Camps" mean Overnight Camps too?*

Good news! About an hour after the statement, Doug Ford himself called the Ontario Camps Association COVID-19 Task Force and it was crystal clear that he meant ALL camps.

We are now more confident than ever that everything will come together for Summer 2021 at Wahanowin! We have been told that we will be receiving the Public Health guidance in the coming days and this will allow us to further finalize our Camp Safety Plan. If you haven't already taken the time to read through our ever-evolving plans, please check out our [COVID-19 webpage](#).

We will be providing a more comprehensive update soon and look forward to welcoming you all virtually to share our plans for Summer 2021.

The sun is shining! The wheels are in motion! Get ready for camp!

Elijah, Tia, Pete, Tan, Ruth, Katie, Bruce and Patti
