

Parent Guide: Running a Grad Trip to Camp Wahanowin

Dear Parents,

Camp Wahanowin has been providing unforgettable Grade 8 graduation trips to thousands of students across Ontario for over 30 years. Given the extremely unfortunate circumstance of contract negotiation between our teachers and the Government the trip your student has signed up for is in significant jeopardy. We sincerely support our teachers, but feel the importance of this once in a life time trip should not be missed. As a result, we have modified the enrollment process and procedure to allow parents to become Camp Trip Coordinators and run the scheduled grad trip.

- Help promote trip/answer questions about experience - Visit [FAQ page](#)
- Be the Camp/Student Liaison
- Help organize kids at camp, getting kids to meals and activities
- Down time supervision of students
- No Liability - kids are signing up through Camp Wahanowin
- Set up a meeting or direct parents to a Facebook page as required

Camp Responsibilities:
