RULES

WATERFRONT & SWIMMING

The waterfront is a shared space and safety around the water is our priority. Adults must accompany minors during waterfront activities outside of Cub Club. Waterfront activities are only permitted during designated activity times. Swimming is permitted only at the designated swim docks; Bunny Beach is reserved exclusively for boat-based activities.

All boating and watercraft activities must take place during designated waterfront times and in accordance with camp safety procedures. Please follow all instructions from waterfront staff and use the appropriate safety equipment. If required, please bring appropriately sized lifejackets for infants and toddlers.

ALCOHOL & DRUGS

Alcohol may only be consumed in cabins, the Dining Hall and at designated firepits. Once alcohol or drugs have been consumed, all camp activities, including swimming, are prohibited for the remainder of the day.

SMOKING & VAPING

Smoking and vaping are permitted only at designated firepit areas. Please be mindful of other guests and dispose of cigarette butts.

FOOD & ALLERGIES

To help us maintain a safe environment for everyone, peanuts, tree nuts and sesame are not permitted on site. Please do not bring or consume products containing these ingredients while at camp.

PETS

Whilst we love our four-legged friends, pets are not permitted on camp property. This helps us ensure a safe and comfortable environment for everyone. Thank you for your understanding!

VEHICLES & PARKING

Personal vehicles may be parked in front of cabins but should not be used to travel around camp. Please refrain from driving within camp unless required for an approved camp-related purpose.

CAMP CARE & MAINTENANCE

We ask that everyone helps us take care of our camp. Please report any maintenance issues, damage or concerns to the office so that our team can address them as quickly as possible.

DRINKING WATER

Drinking water is available throughout camp and is safe to drink. Please bring a reusable water bottle and make use of the refill stations around camp to stay hydrated throughout your stay.

See You Soon!!

We can't wait to welcome you back!
